## TIPS TO PREVENT SLIPS ON SNOW AND ICE

**CLEAR WALKWAYS**  
of snow and ice, and spread deicer as quickly as possible

**WEAR PROPER FOOTWEAR**  
when walking on snow or ice. A pair of insulated and water-resistant boots with good rubber treads is a must for walking during or after a winter storm. Keeping a pair of rubber overshoes with good treads that fit over your street shoes is a good idea during the winter months.

**TAKE SHORT STEPS**  
and walk at a slower pace so you can react quickly to a change in traction.

In Danish, the word for Christmas is Jul. Before Christianity, Jól was celebrated by Danes and Scandianvians on the coldest full moon of the year. In English, Yule or Yuletide is still used.
