Happy Easter

## Easter and Spring Festival

Easter week is the traditional opening of Tivoli, the beloved amusement park in downtown Copenhagen, which dates from 1843.

Danish families usually get together for a big Easter lunch that lasts all afternoon. Traditions such as painting hard-boiled eggs in Easter colours, going on egg hunts, and rolling eggs downhill are popular among children and adults alike.

The spring holiday calendar in Denmark also includes Whitsunday and Pentecost, as well as Great Prayer Day - a holiday celebrated only in Denmark.
